

Instructions to change your email address for eStatement notifications

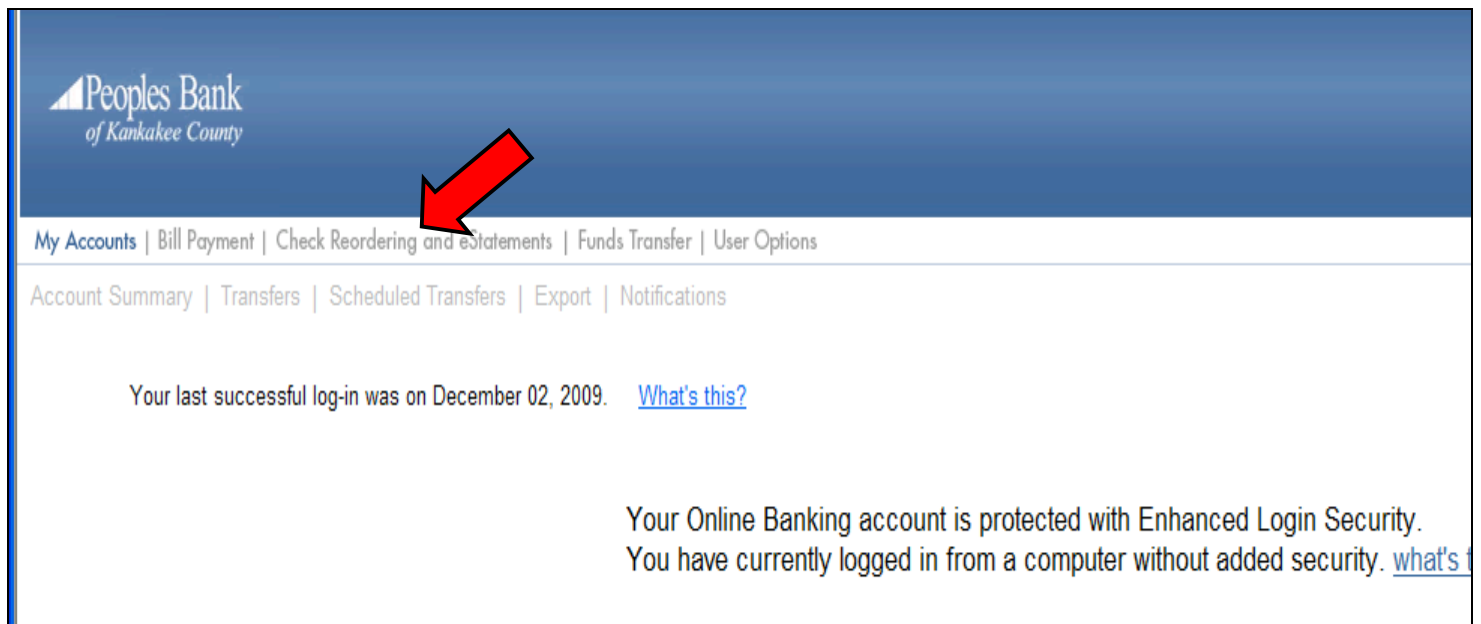

It is **very** important that you have a correct, valid email address for Peoples Bank of Kankakee County to send you an email notification when your eStatement is available for viewing. Per our eStatement Disclosure provided to you when you signed up for eStatements:

E-mail Address

In order to receive Online Statements you must provide Peoples Bank of Kankakee County with a valid e-mail address. You agree to notify the Bank of any changes in your e-mail address in a timely manner. If we have an invalid e-mail address you will be removed from the Online Statement program and issued paper statements to your last known address until this is corrected. It is your responsibility to ensure that, if your Internet Service Provider filters your e-mail for SPAM, that you are able to receive e-mails from service@peoplesbankdirect.com.

If you change your e-mail address or find that your email address is inaccurate, follow the steps below to change your e-mail address within Peoples Bank of Kankakee County eStatement section of your Online Banking.

1. Log into your online banking @ www.peoplesbankdirect.com as normal.
2. From your Online Banking home page; Click on Check Reordering and eStatements:

3. If you have more than one account set up for eStatements; choose the correct account from the drop-down box under the EPSIIA eStatement section. (If you have more than one account – you will need to correct your email address for each account that has a new or corrected email address for sending your email notification when your eStatement is available for viewing.)

4. Press Enter

The screenshot shows the Peoples Bank of Kankakee County website interface. At the top, there is a navigation bar with the bank's logo and links for "My Accounts", "Bill Payment", "Check Reordering and eStatements", "Funds Transfer", and "User Options". A "Help | Log Off" link is also present. A banner on the right side features a small image of hands holding a plant and text that reads "eStatements Select the Check Reordering & eStatements tab to sign up! Let's Make It Happen...".

The main content area is titled "Trusted Partners" and contains the following sections:

- Deluxe - Check Ordering Service:** Includes an icon of a check and a description: "Deluxe offers the flexibility and convenience of placing on-line check and check-related product orders at any time. This service provides a safe, secure and user-friendly environment to customize and check on the status of your check orders. Access this feature to place an order for checks or other accessories." Below this is a form with the text "Please select an account:" followed by an empty text box, a dropdown menu currently set to "CHECKING", and an "Enter" button.
- EPSIIA - Peoples Bank of Kankakee County's Online Statements partner:** Includes an icon of a document and the text: "View your statements online with a click of a button!". Below this is a form with the text "Please select an account:" followed by an empty text box, a dropdown menu currently set to "CHECKING", and an "Enter" button. Two red arrows point to the dropdown menu and the "Enter" button, respectively.

A disclaimer at the bottom of the main content area states: "Disclaimer: All transactions and agreements on our partner's trusted sites are solely negotiated between the customer and the corresponding partner. Peoples Bank of Kankakee County neither expresses nor implies any responsibility for such agreements or transactions."

The footer contains navigation links: "My Accounts | Bill Payment | Check Reordering and eStatements | Funds Transfer | User Options | Help | Log Off".

5. The next screen will look familiar as it is the screen you use to view your statements. Under the Internet Banking and Statement Notification Email section – it will show your current e-mail address. If this is not your current valid email address -- Press Change.

Peoples Bank
