*Clients can respond to an internal Ameriprise survey and rate an advisor or practice based on their satisfaction with the team or practice, on a scale of 1 to 5 (1 = extremely dissatisfied to 5 = extremely satisfied). Client experiences may vary and working with any Ameriprise Financial practice is not a guarantee of future financial results. Investors should not consider this rating a substitute for their own research and evaluation of a financial practice's qualifications. Only clients with access to the Ameriprise Secure Client Site may submit a rating. Ratings reflect an average of all client responses received over a rolling two-year period as of 12/31/2021.
