

AT THE HEART of Kankakee County

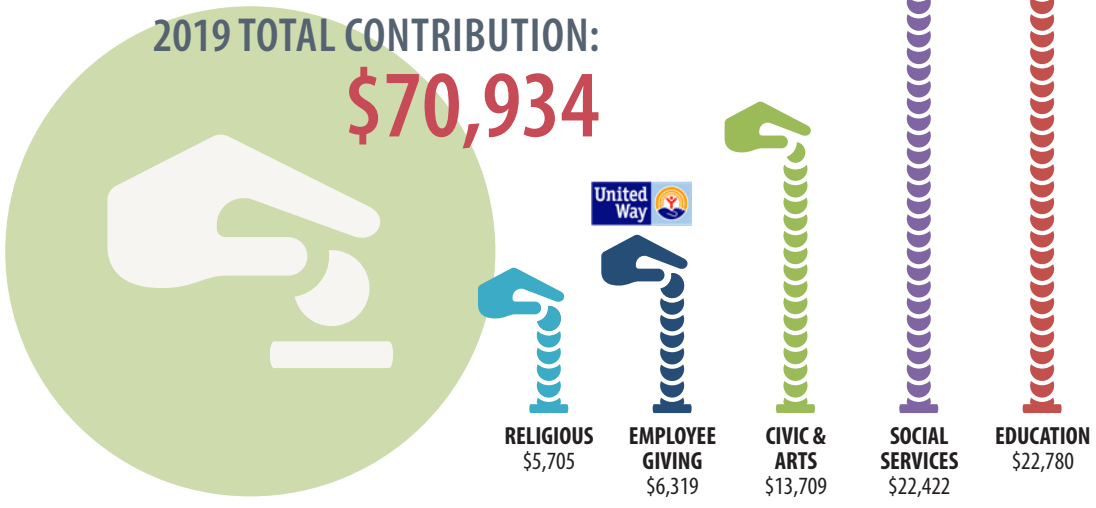

2019
Peoples Bank
of Kankakee County

Of Kankakee County means GIVING BACK

Commitment to its community

has been a core value of Peoples Bank since its founding in 1962. Giving back is simply in our DNA. Year after year, Peoples contributes nearly 5% of its profits back to the community in which its customers and employees live, work, play, and call "home". In 2019, this amounted to a total contribution of \$70,934.

Of Kankakee County means VOLUNTEERING

SPLASH! PROGRAM

Peoples Bank is very proud to sponsor the Splash program for the third year. Splash is a partnership with the local YMCA to teach life-saving swimming lessons to second graders from Kankakee schools. Hundreds of students have benefited from Splash lessons at the YMCA, improving self-esteem and fostering an appreciation of the water as these children mature.
